What do you get for your money? All necessary elements to earn the Geology Belt Loop, Geology Academic Pin, and Webelos Geologist Pin (if you are a Webelos), worksheets to complete, a beginning rock collection, rock bag, and a show patch. What a bargain!

Does your pack or den need to sign up? Yes, it is best to sign up in advance to attend this program because there will be only a limited number of extra packets, rock collections, and patches available for those who don't sign up in advance. Last year we served over 2000 kids in three days, so advanced registration is highly recommended. Pre-registered participants will have priority over walk-in participants. Sign up early to reserve your den's spot. Last year we filled up long before the deadline. **SCVGMS Club Website for more information:** www.scvgms.org Please pass along our Website and flier to other den leaders.

Forms must be in by: March 15, 2009.

Questions??? please call or email June Harris at (831) 438-5150 or SCVGMSKidsArea@yahoo.com.

Prepaid packets will be held at the Kids Area for pickup.

This is the patch that will be distributed to all registered paying participants
