What do you get for your money? All necessary elements to earn the Geology Belt Loop, Geology Academic Pin, and Webelos Geologist Pin (if you are a Webelos), worksheets to complete, a beginning rock collection, rock bag, and a show patch. What a bargain!

Does your pack or den need to sign up? Yes, it is best to sign up in advance to attend this program because there will be only a limited number of extra packets, rock collections, and patches available for those who don't sign up in advance. In past years we served nearly 2000 kids in three days, so advanced registration is highly recommended. Pre-registered participants will have priority over walk-in participants. Sign up early to reserve your den's spot.
